Will you visit Georgia within of your concert tour or it will be one special concert for our country?

My time in Georgia will be rather short, but I am planning a visit to the Batumi region during my stay. I wasn't able to visit Georgia when I was last touring in the Caucasus region, so I am really looking forward to this.

My Tbilisi recital program will feature works of Beethoven, Chopin Albeniz, Ravel, and Prokofiev among others.

Most of my life has revolved around music; I began playing the piano when I was 4 years old. Since then, music has always remained a very important and inseparable part of my life.
